## **Disclaimer of liability:**

### **Liability for contents**

The contents of our pages were created with the greatest care. However, we cannot assume any liability for the correctness, completeness and topicality of the contents. As a service provider, we are responsible for our own content on these pages according to Section 7 paragraph 1 TMG (German Telemedia Act) and general laws. According to Sections 8 to 10 TMG we are not obligated as service providers to monitor transmitted or stored external information or to investigate circumstances that indicate illegal activity. Obligations to remove or block the use of information according to general laws remain unaffected. However, liability in this respect is only possible from the time of knowledge of a concrete infringement. If we become aware of any such infringements, we will remove these contents immediately.

### **Liability for links**

Our offer contains links to external websites of third parties, on whose contents we have no influence. Therefore we cannot assume any liability for these external contents. The respective provider or operator of the sites is always responsible for the contents of the linked sites. The linked pages were checked for possible legal violations at the time of linking. Illegal contents were not recognizable at the time of linking. A permanent control of the contents of the linked pages is not reasonable without concrete evidence of a violation of the law. If we become aware of any infringements, we will remove such links immediately.

### **Copyright**

The contents and works on these pages created by the site operators are subject to German copyright law. The duplication, processing, distribution and any kind of use outside the limits of copyright law require the written consent of the respective author or creator. Downloads and copies of these pages are only permitted for private, non-commercial use. Insofar as the content on this site was not created by the operator, the copyrights of third parties are respected. In particular, third-party content is identified as such. Should you nevertheless

become aware of a copyright infringement, please inform us accordingly. If we become aware of any infringements, we will remove such contents immediately.

### **Data protection**

The use of our website is usually possible without providing personal data. As far as personal data (e.g. name, address or e-mail addresses) is collected on our pages, this is always done on a voluntary basis as far as possible. This data will not be passed on to third parties without your express consent.

We would like to point out that data transmission on the Internet (e.g. communication by e-mail) can have security gaps. A complete protection of data against access by third parties is not possible.

The use of contact data published within the scope of the imprint obligation by third parties for sending advertising and information material not expressly requested is hereby expressly prohibited. The operators of the pages expressly reserve the right to take legal action in the event of unsolicited sending of advertising information, such as through spam mails.
